Subject: Re: 3rd Quarter Water Monitoring at Genwal

Gary,

I have uploaded all of the approved information from the pipeline and have attached a report.

A sample is still needed for MW-1 according to the parameters set by Mike.

Also, there are some samples from March still in the pipeline that have errors in them. Could you correct the errors and then have them uploaded?

Thanks and Happy New Year,

Eric Petersen sent me an e-mail last week notifying me that Genwal's 3rd Quarter water monitoring data had been entered and could be uploaded. This is the official notification to you to upload that information for Genwal.

Hope you had a good holiday!
